She liked my necklace so she started relaxin'
Now that's what the fuck I call a chain reactionYo, you think they like me now, wait until the light hit me
I bet the house somebody girl spend the night with me
They gotta love it, if not, then I guess they haters
This kinda necklace'll turn on the investigatorsThey ain't got one problem with this
Square face watch look like Sponge Bob on the wrist
One white, one gold, one nice, untold
You can look but don't touch, guns might unload, nowI respect them thugs who get the jackin' on
But we squeeze set every slug that we be packin's long
You boy got the drug money we be stacking on
Lotta carrots, not the one's Bugs Bunny snackin' onGot 'em, get 'em close and lookin' like I scooped up
The Titanic chain from the bottom of the ocean
I play them diamonds well when I got that jewelery on
They should call me Parot Jeter, maybe Canary BondsDiamonds on my damn chain
