

1901 (OST New York, I Love You)

Phoenix

Counting all different ideas drifting away

Past and present, they don't matter

Now the future's sorted out

Watch, you're moving in elliptical pattern

Think it's not what you say

What you say is way too complicated

For a minute thought I couldn't tell how to fall out
It's twenty seconds 'til the last call, going hey hey hey hey
hey hey

Lie down, you know it's easy like we did it all summer long

And I'll be anything you ask and more, going hey hey hey hey hey

It's not a miracle we needed, and no I wouldn't let you think so

Fold it, fold it, fold it, fold it

Fold it, fold it, fold it, fold it
Girlfriend, you know your girlfriend's drifting away

Past and present, eighteen-fifty-five to nineteen-and-one

Watch them build up a material tower

Think it's not gonna stay anyway

Think it's overrated

For a minute, thought I couldn't tell how to fall out
It's twenty seconds to the last call, going hey hey hey hey hey

Lie down, you know it's easy, like we did it all summer long

And I'll be anything you ask and more, going hey hey hey hey hey

It's not a miracle we needed, and no, I wouldn't let you think so

Fold it, fold it, fold it, fold it

Fold it, fold it, fold it, fold it
