

Against the Glass

Blind Mr. Jones

(yes)And I'm talking in my sleep

 A testament for you to keep

 Feel the earth beneath me spin

Well sit back girl and watch this game beginI don't like cars anymore, anymore

 I don't like cars anymore, anymoreAnd I'm in my fathers car

 Face pushed up against the glass

 See the faster drivers win

Well sit back girl and watch this game beginI don't like cars anymore, anymore

 I don't like cars anymore, anymore
