

# Bubbly

Colbie Caillat

I've been awake for a while now  
You've got me feelin' like a child now  
'Cause every time I see your bubbly face  
I get the tingles in a silly place It starts in my toes  
And I crinkle my nose  
Wherever it goes I always know  
You make me smile  
Please stay for a while now  
Just take your time  
Wherever you go The rain is fallin' on my window pane  
But we're hidin' in a safer place  
Under covers stayin' dry and warm  
You give me feelings that I adore They start in my toes  
Make me crinkle my nose  
Wherever it goes  
I always know  
You make me smile  
Please stay for a while now  
Just take your time  
Wherever you go What am I gonna say  
When you make me feel this way?  
I just, mmm It starts in my toes  
Makes me crinkle my nose  
Wherever it goes  
I always know  
You make me smile  
Please stay for a while now  
Just take your time  
Wherever you go da do do do do do da  
do da do da do do da  
Mmmmmmm I've been asleep for a while now  
You tucked me in just like a child now  
'Cause every time you hold me in your arms  
I'm comfortable enough to feel your warmth It starts in my soul  
And I lose all control  
When you kiss my nose  
The feelin' shows  
'Cause you make me smile  
Baby just take your time now

Holdin' me tight  
Wherever, wherever, where ever you go  
Wherever, wherever, where ever you go  
Mmmmm Wherever you go  
I always know  
Cause you make me smile  
Even just for awhile now  
Just take your time  
La la la la la la la la la  
la la la la la la la  
It starts in my toes  
Makes me crinkle my nose  
Wherever it goes
