

A Whole New World (with Lea Salonga)

Il Divo

I can show you the world
Shining, shimmering splendid
Tell me, princess, now when did
You last let your heart decide! I can open your eyes
Take you wonder by wonder
Over sideways and under
On a magic carpet ride A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world with you Now I'm in a whole new world with you Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky
A whole new world
(Don't you dare close your eyes)
A hundred thousand things to see
(Hold your breath it gets better)
I'm like a shooting star
I've come so far
I can't go back to where I used to be A whole new world
(Every turn a surprise)
With new horizons to pursue
(Every moment, red-letter) I'll chase them anywhere
There's time to spare
Let me share this whole new world with you A whole new world
(A whole new world)
That's where we'll be
(That's where we'll be) A thrilling chase A wondrous place For you and me
