

All I See

Lydia

All I see
Scares me
No one waits You will never waste my time, no, no
You will never waste my time, 'cause Well, she locks all the doors and turns, says,
"We will always be safe here in this bed All I see
Scares me, and no one waits
Forever So come closer, baby
I want to see what you're made of,
See what you're made of
'Cause this isn't all we could be
You're not the same, and I'm, I'm not the same and No one could ever wait for you
And no one, yeah, no one could ever
Wait for you, I'll wait for you, love But you are the never ending sleep
That I, I love to treat
With this medicine I get from my, my closer friend but
All I see So come closer, baby
I want to see what you're made of,
See what you're made of
'Cause this isn't
All we could be
You're not the same, and I'm
I'm not the same and
