Tabitha

Timothy Bloom

I don't know what it is that makes me want to stay
Is it the way you put your arms around me
Or the natural makeup that's on your face
I've been living my thinking I could get you out of my mind
Because every dream that I have always takes my pride
And I wake up in a cold sweat just to make sure you're by my side
I don't want to miss any moment with you
In time, embracing every second I'm with you
And I can't let you go, I can't let you go
I don't wanna let you go, I don't wanna let you go
I'd be a fool to let you go, be a fool to let you go.

I hear the replay of your songs playing over in my head
My inspiration above the clouds
The rain it pours out amongst the crowd
And it feels so good whenever you touch me
Sending chills down my spine whenever you kiss me
Taking over my pride
And I wake up in a cold sweat just to make sure you're by my side
I don't want to miss any moment with you
In time, embracing every second with you
And I can't let you go, I can't let you go
I don't wanna let you go, I don't wanna let you go
I'd be a fool to let you go

Tell me where it is I need to be
And I'll go, yes I'll go go go go
Yeah yeah oh oh yeah
Wherever, wherever
Wherever you want me to go
I'll go go go.
