More & More

Streetwize

Na na na (Baby)
Na na na (You got that look on your face)
Na na na (Like you want to go all night)
Na na (And I like that), whoa, whoa

Na na na (I just want you to know that, um)
Na na na (I ain't got no problem with that)
Na na na (Just as long as we go the night also)
Na na (You know what I'm sayin', check it out)

For as long as you're willin', girl
Want you to know that I'm willin? too
And where you want me to go, girl
I'll be willin' to go there for you

If you want me to take my time
Then I'll be willin' to spend the night
All you got to say is, Please stay, Joe
And I'll be stayin' as long as you're sayin'

More and more (Then after that you want)
More and more (Then after that)
More and more (Then after that)
More, more (I hear you say)

More and more (Then after that you want)
More and more (Then after that)
More and more (Then after that)
More, more

Now if you want me to make your love come
I'll be willin' to do anything
And even if you want me to kiss places
Then I'll be willin' to make you scream

Said I'm down for whatever you say
Now all you got to do is speak your mind
Want me here Monday to Monday
Then baby girl, it's fine as long as you're screamin' more

More and more (Moe, more)
More and more (Then after that you want)
More and more (Then after that)
More, more (I want to hear you say more)

More and more (Then after that you want)
More and more (Then after that, oh)
More and more (Then after that)
More, more (Oh, yeah)

Girl, we'll be goin' {From the bed to the floor, babe}
Then we'll be goin' {From the bedroom to the kitchen, babe}
Then we'll be goin? {From the kitchen to the dinin' room, babe}
And straight to the {Baby, straight to the the livin' room}

I'll be takin' you up {Takin' you up the stairs, babe}
I guarantee, yeah {Guarantee I'm 'bout to drive you crazy}
We'll be all over the house {We'll be all over the house, babe}
As long as you're screamin' for me, say you'll give me more

More and more (Yeah)
More and more (Then after that you want)
More and more (Oh, baby, yeah)
More, more (I got to hear you say)

More and more (More)
More and more (It's 'bout time that I showed)
More and more (That I'm not you're average Joe)
More, more (Oh, yeah)

Na na na (Na na na na na)
Na na na (Na na na na na na)
Na na na (Na na na na na)
Na na (All the ladies sing with me, y'all)

Na na na (Na na na na na no)
Na na na (Na na na na no)
Na na na (Na na na na na)
Na na
