Bon Voyeurs

Blaqk Audio

Could I watch you dance, or would you mind?
That if you gave it a chance, I think you might find it thrilling.
Oh I find it such disgrace to never share that rapturous face.
So why won't you dance and I will find it thrilling.Will you think of me or will you let me, let me say -
Who cares who's watching you with me?
Who cares who's watching you.
Can I watch too?If they want this dance, I wouldn't mind.
They just might enhance my lovely time.
Oh I find it such disgrace to never share our animal grace.
Let's give them a show that they might find alluring.Let them let us be, oh. Let them, let them, let them say -
Who cares who's watching you with me?
Who cares who's watching you.
Let them say, let them say.
Who cares who's watching you.
Let them say, let them say.
Who cares who's watching you.
Can I watch too?Why, why wait?
Why wait 'till, 'till the theatre is empty?
Why, why wait?
Why wait 'till, 'till the theatre is empty? Oh!Who cares who's watching you with me?
Who cares who's watching you.
Let them say, let them say.
Who cares who's watching you.
Let them say, let them say.
Who cares who's watching you.
Can I watch too?
