

Swing of the Axe (Rehearsal '84)

Possessed

Lyrics : JB Music : MT
Ripping tearing slashing the axe
Blood Starts to flow the axe of pain
Running for safety eyes start to bleed
Red is the sight of evil pain
Swing of the axe the curse is on you
Returning to take you away
Swing of the axe your evil deeds
Friend of satan he will succeed
You had your choice, You chose
Your ways
You took the devil he's wrong
Your mind is mistaken, your soul has been
Taken
Your Brain's Been Twisted and lost
I can See the river of Flames where
You'll be cast and thrown
Heavens of fire at satan's desire
Hell is now your home
Sin after sin your Brains are
Crushed in
This is the way That you want
Wrong from the start, you
Weren't so Smart
Making the choice that will haunt
