

Stuck In a Moment You Can't Get Out Of

U2

I'm not afraid of anything in this world
There's nothing you can throw at me
That I haven't already heard
I'm just trying to find a decent melody
A song that I can sing in my own company
I never thought you were a fool
But darling, look at you
You gotta stand up straight, carry your own weight
These tears are going nowhere, baby You've got to get yourself together
You've got stuck in a moment
And now you can't get out of it
Don't say that later will be better
Now you're stuck in a moment
And you can't get out of it I will not forsake, the colors that you bring
But the nights you filled with fireworks
They left you with nothing
I am still enchanted by the light you brought to me
I still listen through your ears
And through your eyes I can see And you are such a fool
To worry like you do
I know it's tough
And you can never get enough
Of what you don't really need now, my oh my You've got to get yourself together
You've got stuck in a moment
And now you can't get out of it
Oh love look at you now
You've got yourself stuck in a moment
And now you can't get out of it I was unconscious, half asleep
The water is warm till you discover how deep
I wasn't jumping
For me it was a fall
It's a long way down to nothing at all You've got to get yourself together
You've got stuck in a moment
And now you can't get out of it
Don't say that later will be better now
You're stuck in a moment
And you can't get out of it And if the night runs over
And if the day won't last
And if our way should falter

Along the stony pass And if the night runs over
And if the day won't last
And if your way should falter
Along the stony pass It's just a moment
This time will pass
