Don't Wanna Dance

MÃ˜

Wonder around in the city I know
Old blossom in a new born flow
Sings in my head, what a lovely tune
You know that I crave to meet you soonThe stars are shining upon my eyes
Reminding me of why I'm nice
And then, that boy, la di di da di da
Makes me wanna tare my white skin apartIt's time to go digging the town
And tonight is the night
And tonight is alright
It's time to go down the road
The road you know, tonight we go, we goI, I don't wanna dance with nobody
Dance with nobody, d-dance with nobody
I, I don't wanna dance with nobody
Dance with nobody, d-danceLondon, London, my body say go
Running me down, I really don't know
When to stop and when to begin
I won't go and make my little heart singIt's time to go digging the town
And tonight is the night
And tonight is alright
It's time to go down the road
The road you know, tonight we go, we goI-I, I don't wanna dance with nobody
Dance with nobody, d-dance with nobody, but you
I-I, I don't wanna dance with nobody
Dance with nobody, d-danceI'm on my own and I'm crazy for you
Got the creeps by the way your body movesI-I, I don't wanna dance with nobody
Dance with nobody, d-dance with nobody, but you
Whoa, whoa
Watch you move to the early morning
Whoa, whoa
Wish you would go in the early morningI'm on my own and I'm crazy for you
Got the creeps by the way your body moves
I-I, I don't wanna dance with nobody
Dance with nobody, d-dance with nobody, but youI'm on my own and I'm crazy for you
Got the creeps by the way your body moves
I-I, I don't wanna dance with nobody
Dance with nobody, d-dance with nobody, but you
