

Touch The Leather - Redux

Fat White Family

White skin on the black leather
(touch the leather leather, touch the leather leather)
Tight skin on the baggy leather
(touch the leather leather, touch the leather leather)
Your skin on my leather
(touch the leather leather, touch the leather leather)
Sports socks and a warm sweater Me and my baby gonna touch that leather,
Me and my baby gonna touch that leather,
Me and my baby gonna touch that leather,
Me and my baby gonna touch that leather. Nashville skin on the Tupelo leather,
(touch the leather leather, touch the leather leather)
Left-wing skin on the right-wing leather
(touch the leather leather, touch the leather leather)
New-age skin on the out-of-date leather
(touch the leather leather, touch the leather leather)
Salmon pink skin on the duck-egg leather-eh-e-e-oh Me and my baby gonna touch that leather,
Me and my baby gonna touch that leather,
Me and my baby gonna touch that leather,
Me and my baby gonna touch that leather.
