Better Left Unsaid

Michelle Willson

I told you once get out my life
I dont need ya, ill be alright
But some things are better left unsaidSo tell the truth, and hit me hard
My broken heart is all I have now
But some things are better left unsaidAnd I swore that I would never say
I miss you more every day
But some things are better left unsaid
Are better left unsaid, said, said....Ohhhhh
Tonight I'm gonna say things like: just shut up and kiss me
Ohhhhh
Tonight I'm gonna lose somethings
Dont play me just kiss meIf you wanna party, put your hands up
Put your hands up put your hands up
Dont play me just kiss me
Ohhhhh
I'll never say please, dont play me just kiss meYou tell a lie, plan tonight
Too many drinks, so many reasons that some things are better left unsaidAnd I swore that I would never say
I miss you more every day
But some things are better left unsaid
Are better left unsaid, said, said...Ohhhhh
Im gonna say please, just shut up and kiss me
Ohhhhh
Tonight there gonna lose something
Dont play me just kiss meIf you wanna party, put your hands up
Put your hands up put your hands up
Dont play me just kiss me
Ohhhhh
I'll never say please, dont play me just kiss meIf you wanna party, put your hands up
Put your hands up put your hands up
Dont play me just kiss me
Ohhhhh
Tonight i'll say please, dont play me just kiss meIf you wanna party, put your hands up
Put your hands up put your hands up
If you wanna party, put your hands up
Put your hands up put your hands upYou tell a lie, plan tonight
Too many drinks, so many reasons that some things are better left unsaid
