

# Whole Love

Wilco

My gold marigolds attack  
My black bed of roses  
I'm going to bring 'em all back  
With hypnosis ho And I know that I won't be  
The easiest to set free  
And I know that I won't be the last  
Cold captain tied to the mast I recall you on the telephone  
I recall when you get mad  
I will still love you to death  
And I won't ever forget how And I know that it won't be  
The easiest to set free  
And I know that I won't be the last  
Cold captain tied to the mast I'm on the other side  
I'm satisfied  
I'm a spirit dove  
I'm looking for your love I'm simple as a matter of fact  
A punch in the nose don't overreact  
I will still love you to death  
And I won't ever forget how And I know that I won't be  
The easiest to set free  
And I know that I won't be the last  
Cold captain tied to the mast And I know that I won't be the one  
To securely know when it's wrong  
But I hope I know when it's past  
And I hope I know when to show you my  
Whole love  
Whole love  
Whole love  
Whole love  
Whole love  
Whole love  
Whole love  
I won't ever forget how
