

Worth Waiting For

Beckah Shae

So long, Iâ€™ve hoped for you (for you)
So far, no one compares to you (compares to you)

You got me dancing like a fool when Iâ€™m alone in my room
You have me shouting halleluiah just when I think about you
You got me loopy like a rollercoaster baby and Iâ€™m hanging on
You got me skipping like a record baby to my favorite song

You are the one, you are the one
Who surpasses all my expectations
My search is done, my search is done
So Iâ€™m going to have myself a celebration
You are more than I could have ever asked for
Iâ€™ve never been more sure
This love is so worth waiting for

I know my prayers can be answered
Youâ€™ve proved dreams do really come true

You got me dancing like a fool when Iâ€™m alone in my room
You have me shouting halleluiah just when I think about you
You got me loopy like a rollercoaster baby and Iâ€™m hanging on
You got me skipping like a record baby to my favorite song

You are the one, you are the one
Who surpasses all my expectations
My search is done, my search is done
So Iâ€™m going to have myself a celebration
You are more than I could have ever asked for
Iâ€™ve never been more sure
This love is so worth waiting for

You are what I never knew I always wanted
Itâ€™s so incredible, the better thing that comes from trusting
Iâ€™ve held patienceâ€™s hand, youâ€™ve made me a fan
Itâ€™s so wonderful to be in Godâ€™s perfect plan
Oh I know I am blessed
And I know I would wait for you all over again

You are the one, you are the one

Who surpasses all my expectations
My search is done, my search is done
So Iâ€™m going to have myself a celebration
You are more than I could have ever asked for
Iâ€™ve never been more sure
This love is so worth waiting for
