Operator's Manual

Buzzcocks

Operators manual
Tells me what to do
When emotions blow a fuse
Indicating blueOperators manual
Tells me what to find
And how to make adjustments
When you tamper with my mindOh, operators manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull throughOperators manual
On page sixty-three
Tells me what to do
When you do these things to meOh, operators manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull throughOperators manual
Tells me what to do
When emotions blow a fuse
And I'm feeling blueOperators manual
On page sixty-three
Tells me what to do
When you do these things to meOh, operators manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull through
