

# Let Me Go

## Three Dog Night

One more kiss could be the best thing  
Or one more lie could be the worst  
And all these thoughts are never resting  
And your not something I deserveIn my head there's only you now  
This world falls on me  
In this world there's real and make believe  
And this seems real to me  
And you love me but you don't know who I am  
I'm torn between this life I lead and where I stand  
And you love me but you don't know who I am  
So let me go, let me goI dream ahead to what I hope for  
And I turn my back on loving you  
How can this love be a good thing  
And I know what I'm going through  
In my head there's only you now  
This world falls on me  
In this world there's real and make believe  
And this seems real to me  
And you love me but you don't know who I am  
I'm torn between this life I lead and where I stand  
And you love me but you don't know who I am  
So let me go, just let me go, let me goAnd no matter how hard I try  
I can't escape these things inside  
I know, I know  
But all the pieces fall apart  
You will be the only one who knows, who knowsYou love me but you don't know who I am  
I'm torn between this life I lead and where I stand  
And you love me but you don't know who I am  
So let me go, just let me go  
(you don't know)  
You love me but you don't  
You love me but you don't  
(you don't know)  
You love me but you don't know who I am(you don't know)  
You love me but you don't  
You love me but you don't  
(you don't know)  
You love me but you don't know me
