

# Let There Be More Light

## Pink Floyd

Far, far, far, far away, way  
People heard him say, say  
I will find a way, way  
There will come a day, day  
Something will be done

Then at last the mighty ship descending on a point of flame  
Made contact with the human race at MildenhallNow, now, now is the time, time, time  
To be, be, be aware  
Carter's father saw it there  
And knew the Rhull revealed to him  
The living soul of Hereward the WakeOh my, something in my eye, eye  
Something in the sky, sky  
Waiting there for meThe outer lock rolled slowly back  
The servicemen were heard to sigh  
For there revealed in glowing robes was Lucy in the sky  
Oh, oh, did you ever  
No, no, never ever will they  
I'll can't saySummoning his cosmic power  
And glowing slightly from his toes  
His psychic emanations flowed
