(Do the) Push and Pull

Rufus Thomas

Hey, everybody, Mister Rufus in town
Came here to take care of business
Ain't gonna mess around
I got a brand new dance, that ain't no bull
Everybody's doing it talking 'bout push and pullI said, push, pull, push, pull
Get on up, get on down
Get on up
Take it round and roundI said, push, pull, push, pull
Little bit more
Push it, pull it
Push it, pull itLookie here
Push it, pull it
Push it, pull it
Push it, pull it
Push it, pull itPush it, pull it
Push it, pull it
Push it, pull it
Push it, pull itGet out on the floor, you're gonna get left
Get on your own, pretty baby, now go for yourself
It's easier taking candy from a baby, don't hand me no bull
Now you got it, baby you got that push and pullI said, push, pull
Push, pull
Listen get on up, get on down
Get on up
Take it round and roundI said, push, pull, push, pull
Listen
Push it, pull it
Push it, pull itDouble upon
Push it, pull it
Push it, pull it
Push it, pull itPush it, pull it
Push it, pull it
Push it, pull it
AhOh, Mister Clean and James Brown
Everybody been messing around
I'm doing a hundred and laying on full
I got this thing talking 'bout push and pullI said, push, pull
Push, pull, oh, hoPush and pull, oh, ho
