

# bus

## EuroTalk

You need to take that bus  
Goodbyes aren't all that good  
Mother is in a mess  
What are you gonna do if nothing happens?

Nothing happens  
Nothing happens  
Nothing happens around here any more

Leaving the girls behind  
Goodbyes aren't all that good  
Daddy says you'll be fine  
But what is he gonna say if nothing happens?
