

Trust?

Limp Bizkit

Backstabber!
Two-faced! Low lives!
It's time to step up to the plate!
A one two, a one two, a one two
What the fuck ya gonna do? You know I see right through you
When you act like you don't know me
You lie, you cheat, you steal, you lose
Wouldn't wanna be in your shoes always Always lookin over your shoulder
For the ones you stick, you sick little prick
It looks like your times runnin out
Creepin up your back
So what you all about? I'm too fuckin' good
And fuckin' proud
I'm gonna show you how
Bad it hurts to be a clown You're the kind of guy with two faces
Just another life that's wasted
Here's a little fact, you do me like that
End up in the back of my trunk in a sack You'd better keep your hands off
What's mine or anybody else's
When you're selfish your wealth is
All you crave from the cradle to the grave I'm too fuckin' good
And fuckin' proud
I'm gonna show you how
Bad it hurts to be a clown I'm too fuckin' good
And fuckin' proud
I'm gonna show you how
Bad it hurts to be a clown I got a little bitty question
Just what the fuck are you thinking?
You think you're all that and then some
Well you're not I think you're dum ditty dumb, I take it back
Those thoughts are kinda whack
Don't really need that kind of karma on the track
Maybe Freddy Krueger will step into your dream and
Burn you like a demon and leave your ass screamin To be exact I wanted to react, mission of attack
Your head was gettin cracked
But you're a human being that's lucky to be breathin
And that's that, that's that I don't trust nobody
'Cause nobody trust me
Never gonna trust anybody

And that's the way its gonna be I don't trust nobody
 'Cause nobody trust me
 I'm never gonna trust anybody
And that's the way its gonna be I don't trust nobody
 'Cause nobody trust me
 Never gonna trust anybody
And that's the way its gonna be I don't trust nobody
 'Cause nobody trust me
 Never gonna trust anybody
And that's the way its gonna be I'm too fuckin' good
 And fuckin' proud
 I'm gonna show you how
Bad it hurts to be a clown I'm too fuckin' good
 And fuckin' proud
 I'm gonna show you how
Bad it hurts to be a clown
