

My Man, A Sweet Man

Millie Jackson

My man is a sweet man
My man is a kind man
I know he`s a fine man
And he`s mine, all mine

Whenever I need him
He`s always around
I don`t have to go
Searching all over town

He treats me nice and
He loves me every day
I`ll tell the world
That I`m proud to say

My man is a sweet man
My man is a kind man
I know he`s a fine man
And he`s mine

He`s home at night
I fix his food
He`s worked all day
He`s in a tired mood

I cuddle him up
I give him a kiss or two
I`m willing and able for
Whatever he wants to do

Because my man is a sweet man
My man is a kind man
I know he`s a fine man
And he`s mine, all mine

My man is a sweet man
My man is a kind man
Mine, mine

His heart is made of gold

His words are heavenly
I feel like an angel
Every time he touches me

So, give him up, no
That would never work
And if you girls fool around
Somebody's gonna get hurt

Cause my man is a sweet man
My man is a kind man
I know he's a fine man
Thank you for using Top40db.com.
And he's mine, all mine
Yes, he is, now

My man is a sweet man
My man is a kind man
I know he's a fine man
And he's mine, all mine
Yes, he is, girl
