

# I Don't Want Her (feat. Problem)

Eric Bellinger

(This gon' be your favorite song)

I see 'em looking at my woman, oh

If they ain't lookin' I don't want that girl, oh

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want that girl, naw Yeah she bad ain't she?

Why would I wanna keep her to myself?

I know you mad ain't ya?

'Cause she only want me and no one else

I tell her put her heels on

So she can show off them legs

But even with her clothes on, she turn heads I see 'em lookin' at my woman (I see 'em lookin' at my woman)  
yeah yeah

If they ain't lookin' I don't want that girl, oh

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want that girl, naw Bad bitches put your hand up (Hand up) I need to see you  
Twerk, twerk it for a real nigga

If you nails done and your weave new

Never be raggedy kind you find in vanity mags

Hundred with everything on me rockin' then shaggidy bags

PDA never shame when I kiss her step back like, "Look at that frame on that picture"  
With yo bad ass, its her night no glad ass

Pretty face with a fat ass

In a dress straight from badass Tennessee

Who she going home with? You fittin' to see nigga I see 'em looking at my woman, oh  
If they ain't lookin' I don't want that girl, oh

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want that girl, nah If they ain't lookin' at my baby

Then it's something wrong with me

If they ain't hating on what we got

I'ma need a new woman

If they ain't lookin' at my baby

Then it's something wrong with me

If they ain't hating on what we got

I'ma need a new woman If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)  
I see I can see 'em look yea

If they ain't lookin' I don't want that girl (If they ain't lookin' I don't want that girl)

No I don't want it

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want her (If they ain't lookin' I don't want her)

If they ain't lookin' I don't want that girl, naw
