Lose My Mind

Redhead Express

Every time I lose my mind, I lose my mind, I lose my mind
Every time I lose my mind
I really hate i work so much
But sometimes it won't let up
This storm goin' on in my head
To many words that don't make sense
Crazy is the name of the game, and I'm one move away from goin' insane
Just when I think I can't take it
Oh you save me

Every time I lose my mind, I lose my mind, I lose my mind
Every time I lose my mind
There you are to help me find it
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh

I don't need the stars to line up
Long as I know I've got your love
Don't need you to laso the moon
All I really want is me with you
Just one touch of your hand
And my complicated starts to understand
That it's simple
I've got this
Boy you get me oh

Every time I lose my mind, I lose my mind, I lose my mind
Every time I lose my mind
There you are to help me find it
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh

I know I have a tenden to ramble
But I kinda like the way that you can handle
Even when I keep you up all night long
Talk, talk, talkin' like its all gone wrong
And when I tell you that I don't need you to hold me
That's when you pull me closer cause you know me

A little kiss
Nice and slow
My world is under control

Every time I lose my mind, I lose my mind, I lose my mind
Every time I lose my mind
There you are to help me

Every time I lose my mind, I lose my mind, I lose my mind
Every time I lose my mind
There you are to help me find it
