# Replay

## Queensberry

I'm to nice for the city
To honest for the game
All the two faced little let downs
They're all one in the same
When ridding ion the track and field
There's no room for mistakes
I've given everything I have to give
And I think I'm okay

So you can keep it on the replay
Keep it on the replay
If you're not gonna change
You can keep it on the replay
So sad but true
So sad that you
Can't stand up and walk away
So you can keep it on the replay
Keep it on the replay
I'm gonna be okay

It's too cold in the city
It's too dark of a life
Some how we end up molded
I'm not better than the city
I just wan show something more
I deserve a little space to bring something out
Of this love we hate like war

So you can keep it on the replay
Keep it on the replay
If you're not gonna change
You can keep it on the replay
So sad but true
So sad that you
Can't stand up and walk away
So you can keep it on the replay
Keep it on the replay
I'm gonna be okay

When you smile

It doesn't have to be so serious
Let it go,I know of everything
That stands between us

So you can keep it on the replay
Keep it on the replay
If you're not gonna change
You can keep it on the replay
So sad but true
So sad that you
Can't stand up and walk away
So you can keep it on the replay
Keep it on the replay
I'm gonna be okay
