Running (Disclosure Dub Ñ Sigrah Footwork)

Jessie Ware

Your words alone, could drive me to
A thousand tears,
All the same words, that kept me here
For all the yearsI'm lost again, it's happening
When you're around I just go weak
All I wanna know, is it mutual
Then I never want to leave
Then I'm ready to run, ready to fall
Think I'm ready to loose it all
Then I'm ready to run, ready to fall
Think I'm ready to loose it allKeep me running, you keep me running
Keep me running, you keep me running
Keep me running, you keep me running
Keep me running, you keep me running, youWhoa, would you hold my hand like the air it's so gently here
Never give up, never give up
Whoa, would you pull me closer and nobody knows we're there
No one can find usI'm lost again, it's happening
When you're around I just go weak
All I wanna know, is it mutual
Then I never want to leave
Then I'm ready to run, ready to fall
Think I'm ready to loose it all
Then I'm ready to run, ready to fall
Think I'm ready to loose it allKeep me running, you keep me running
Keep me running, you keep me running
Keep me running, you keep me running
Keep me running, you keep me running, you
You keep me, keep me running, me runningAnd I'm lost again, it's keep happening
But when I'm around you,
When I'm around you
I just go weak
And I wanna know, is it mutual
Am I'm ready to run, am I ready to fall?
I think I'm just ready to loose it allKeep me running, you keep me running
Keep me running, you keep me running
Keep me running, you keep me running
Keep me running, you keep me running, you
