

The Lotto

Ingrid Michaelson & AJR

Mmm... mmm.

Mmm... mmm.

Mm, mm, mm, mm, mmm, mm, mm.

My, oh my, oh my, oh my.

That money's not for me.

My, oh my, I don't gotta hit the lotto

'Cause I've got a lot of lovin' for free.

I keep it simple,

And not too proud,

I'll take the quiet,

Over the crowd.

With empty pockets,

We'll live about,

We don't need no treasure,

We don't need no crowns, so-

My, oh my, oh my, oh my,

That money's not for me.

My, oh my, I don't gotta hit the lotto

'Cause I've got a lot of lovin' for free.

My, oh my, oh my, oh my,

Do you see what I see?

My, oh my, I don't gotta hit the lotto

'Cause I've got a lot of lovin' for free.

(I've got a lot of lovin' for free.)

This life is funny,

It don't make sense,

You've got it all figured out,

It's still a mess.

Put on that old suit,

(My, oh my, oh my, oh my)

Put on that dress,

(My, oh my, oh my, oh my)

They say the best things in life cost less,

So we say,

My, oh my, oh my, oh my,
That money's not for me.
My, oh my, I don't gotta hit the lotto
'Cause I've got a lot of lovin' for free.

My, oh my, oh my, oh my,
Do you see what I see?
My, oh my, I don't gotta hit the lotto
'Cause I've got a lot of lovin' for free.
(I've got a lot of lovin' for free.)

And we don't need,
Nothing fancy,
Just a skyline,
and a view.
Hand in hand,
Down to the sea,
We've got it all,
And we've got nothing left to do.

My, oh my, oh my, oh my,
That money's not for me.
My, oh my, I don't gotta hit the lotto
'Cause I've got a lot of lovin' for free.

My, oh my, oh my, oh my,
Do you see what I see?
My, oh my, I don't gotta hit the lotto
'Cause I've got a lot of lovin' for free.
(I've got a lot of lovin' for free.)

My, oh my, oh my, oh my,
That money's not for me.
My, oh my, I don't gotta hit the lotto
'Cause I've got a lot of lovin' for free.

My, oh my, oh my, oh my,
Do you see what I see?
(Do you see what I see?)
My, oh my, I don't gotta hit the lotto
'Cause I've got a lot of lovin' for free.
(I've got a lot of lovin' for free.)

My, oh my, I don't gotta hit the lotto

'Cause I've got a lot of lovin' for free.
(I've got a lot of lovin' for free.)
