

Almaz

Ben Gibson

She only smiles
He only tells her
That she's the flowers, the wind and spring
In all her splendor sweetly surrendering
The love that innocence brings Almaz, pure and simple
Born in a world where love survives
Now men will want her
'Cause life don't haunt her
Almaz, You lucky lucky thing Now I watch closely
And I watch wholly
I can't imagine love so rare
She's young and tender
But will life bend her
I look around is she everywhere He throws her kisses
She shares his wishes
I'm sure he's keen without a doubt
With love so captive
So solely captive
I ask if I could play the part Almaz, You lucky lucky thing
Almaz, You lucky lucky thing
