Kay Thompson's Jingle Bells

Acoustix

Jingle bells, jingle bells
Jingle all the way
Oh what fun it is to ride in a one horse open sleigh
Jingle bells, jingle bells
Jingle all the way
Oh what fun it is to ride in a one horse open sleigh
On dasher, on dancer, on prancer, on vixen
On comet, on cupid, on donner, on blitzen
Put on your bells, your christmas bells
Come on, we're going for a sleigh ride
Christmas time is here again
Come on, we're going for a sleigh ride

To spread good cheer again
From the top of the chimney to the top of the wall
Dash away, dash away, dash away all
Old saint nicholas, he took a flight
The moon was shining bright
Bring out the bells
Ol' saint nick was riding through the sky
You should have seen those reindeer fly
Bring out the bells, it's a holiday season
Bring out the bells, it's a happy time
Bring out the bells, we've got a good reason
To ring the bells and hear those pretty bells chime
