

That Time

Jazzjet

Hey remember the time
When I found a human tooth down on Delaney
Hey remember that time
When we decided to kiss anywhere except the mouth
Hey remember that time
When my favorite colors was pink and green
Hey remember that month
When I only ate boxes of tangerines
So cheap and juicy, tangerines
Hey remember that time
When I would only read Shakespeare
Hey remember that other time
When I would only read the backs of cereal boxes
Hey remember that time
I tried to save a pigeon with a broken wing
A street cat got him by morning and I had to bury pieces
Of his body in our building's playground
I thought I was gonna to be sick
I thought I was gonna to be sick
Hey remember that time
When I would only smoke Parliaments
Hey remember that time
When I would only smoke Marlboro's
Hey remember that time
When I would only smoke Camels
Hey remember that time
When I was broke, I didn't care I just bummed from my friends
Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum
Hey remember that time
When you od'ed
Hey remember that other time
When you od'ed for the second time
Well, in the waiting room while waiting for news of you
I hallucinated I could read your mind
And I was on a lot of shit too but what I saw, man
I tell you it was freaky, freaky
