

Down in the Park (Live London 1980)

Gary Numan

Down in the park where the machmen meet
The machines and play 'Kill-by-numbers'
Down in the park with a friend called 'Five' I was in a car crash or was it the war?
Well, I've never been quite the same
Little white lies like I was there Come to Zom-Zom's, a place to eat
Like it was built in one day
You can watch the humans try to run Oh, look, there's a rape machine
I'd go outside if it looked the other way
You wouldn't believe the things they do Down in the park where the chant is death, death, death
Until' the sun cries mornin'
Down in the park with friends of mine We are not lovers, we are not romantics
We are here to serve you
A different face but the words never change
