

# Water (feat. Rostam)

## Ra Ra Riot

Tired of sleeping on the sidewalk  
Working at the bus stop night 'til morning  
Tired and waiting for the sunlight  
When it comes, it's still dark where I'm going  
Don't  
Don't punish me for what I feel  
Don't  
Don't punish me for what I feel  
So I crawled out of the back door  
Took off all these tight clothes  
Jumped into the water  
So I crawled out of the back door  
Took off all these tight clothes  
Jumped into the water  
I jumped into the water  
The water  
Vicious demons on the TV  
So I sold it on 16th Street  
But I still hear the drone  
Now I'm 'bout to get off this night shift  
Do you think I could get a lift?  
I don't care where you're going  
Don't  
Don't punish me for what I feel  
Don't  
Don't punish me for what I feel  
So I crawled out of the back door  
Took off all these tight clothes  
Jumped into the water  
So I crawled out of the back door  
Took off all these tight clothes  
Jumped into the water  
I jumped into the water  
The water  
My face was numb, my lungs were sore  
But still I swam until my feet could touch the shore  
I've been sleeping on your porch  
I'm still too scared to bust the lock on your door  
So I crawled out of the back door  
Took off all these tight clothes  
Jumped into the water  
So I crawled out of the back door  
Took off all these tight clothes  
Jumped into the water  
I jumped into the water

The water

The water
