Common Man

John Conlee

As the maid poured wine and we prepared to dine
I knew I was feelin' out of place
At a table as large as a river barge
And "I love you" written all on your faceI appreciate you hospitality
But I wish that we would go
Let me drive us to McDonalds and I'll talk to you
Concernin' somethin' you should really knowI'm just a common man, drive a common van
My dog ain't got a pedigree
If I have my say, it gonna stay that way
'Cause high-browed people lose their sanity
And a common man is what I'll beI'll take a Chevrolet just any day
So give your Daddy back his Mercedes Benz
And there's some common people that I hang out with
They're my good time buddies, they're my friendsAnd I'd rather chug-a-lug a mug of Budweiser Beer
Than sip a crystal glass of wine
So won't you make your mind up to believe in me
And leave this high livin' world behindI'm just a common man, drive a common van
My dog ain't got a pedigree
If I have my say it's gonna stay that way
'Cause high-browed people lose their sanity
And a common man is what I'll beAnd I'm happy just being free
And I'm happy just being me
And I hope that you will seeI'm just a common man, drive a common van
My dog ain't got a pedigree
If I have my say, it gonna stay that way
'Cause high-browed people lose their sanity
And a common man is what I'll be
