

# Kissing (Album Version)

## Bliss

The red light of the sun  
Slowly descending  
The sky is all I see  
It's never ending We could fly  
You and I  
On a cloud  
Kissing, kissing The wind plays with the leaves  
The weather turns colder  
But as long as we believe  
Love doesn't get older We could fly  
You and I  
On a cloud  
Kissing, kissing On a journey of the heart  
There's so much to see  
And when the sky is dark  
You'll be right here  
Right here with me Right here with me  
Kissing On a journey of the heart  
Kissing
