Cop

Swans

the punishment fits the crime.
nothing beats humiliation.
humiliation's a disease.
nothing beats humiliation.
nothing beats them like a cop with a club.
nothing beats them like a cop in jail.
nobody beats your head in like a cop in a jail.
nobody hurts you like a cop with a club.
nobody rapes you like a cop with a club.
nobody beats your body like a cop in jail.
nobody burns their body like a cop.
nobody burns your skin off like a cop in jail.
the heat hurts.
humiliation's a disease.
