

What U Like

Major Lazer

Don't you like it when me shift your drawers one side
And roll on a condom and slide
Me stiff dick in-a ya fat pussy
Make ya feel like your home a tear down like a landslide
Don't ya like when me give ya it real tough
Make you reminisce, all yourself you a feel up
Turn your back, will hurt, your knees up
How ya must come before me, cause me know a no me fuss
When me beat it up like a fight
Ahh that she like
She love it like her life
Ahh that she like
Scream til she no have no voice
Ahh that she like
When me fuck her all night
Hear me now!
When me beat it up like a fight
Ahh that she like
She love it like her life
Ahh that she like
Scream til she no have no voice
Ahh that she like

When me fuck her all night
Make ya cry and no stop, say the fuck here is hot
You're cute, your breast's stiff and your pussy is fat
That's why me give you cock what tough like it is a brickhut
Gal open a ya legs like a gift shop
Wind 'pon the cock, it up, 'pon it you have it tick tock
Kerri a tell me 'bout Bruk and Fixback
Me fuck her, make she run, left her flip flop
When me beat it up like a fight
Ahh that she like
She love it like her life
Ahh that she like
Scream til she no have no voice
Ahh that she like
When me fuck her all night
Hear me now!

When me beat it up like a fight
Ahh that she like
She love it like her life
Ahh that she like
Scream til she no have no voice
Ahh that she like
When me fuck her all night
