

# Let Me Fall

## Arabesque

You made my life into a joke,  
But no one's laughing at all.  
Cause when I breathe I fucking choke,  
And I'm just begging,  
Let me fall My heart was yours to break. And now it's clearer than ever,  
That I mean nothing to you.  
I try to keep it together,  
But in the end it all falls through. I wanna know how you do it,  
How you forget about me.  
Because I'm on the edge, no one can see, that I'm breaking down,  
And I can't, fucking breathe.  
I wanna know what it looks like,  
When I'm falling apart.  
I wanna see what you see,  
When you looked, at, me. You made my life into a joke,  
But no one's laughing at all.  
Cause when I breathe I fucking choke,  
And I'm just begging,  
Let me fall. So when you screamed at me,  
Was the most passion I got.  
I wanted to believe you,  
but you ripped me apart. You know damn well I miss you,  
And yeah I know you could care less.  
I slit my wrist to forget you.  
While I prayed for death.  
I wanna know what it looks like,  
When I'm falling apart.  
I wanna see what you see,  
When you looked, at, me. You made my life into a joke,  
But no one's laughing at all.  
Cause when I breathe I fucking choke,  
And I'm just begging,  
Let me fall I tried digging my grave, but I was too weak.  
Cry cut and sleep, then rinse and repeat.  
I tried to be happy, but that hurt me worse.  
My heart was your gift, and your love was my curse. I wanna know what it looks like,  
When I'm falling apart.  
I wanna see what you see,  
When you looked, at, me. You made my life into a joke,

But no one's laughing at all.  
Cause when I breathe I fucking choke,  
And I'm just begging,  
Let me fall
