Struggle All My Life

Smiling Horse

I struggle all my life away

I struggled all my life away
I struggle trough the night and day
I struggled and a want to say
How I want to be
How I need to be
Free â€¦ieâ€¦eee

I struggled all my life away
I struggle trough the night and day
I struggle and a want to say
How I want to be
How I need to be
Free â€¦ieâ€¦eee

Well. its the way of understanding
Its the way of being apart
No one will ever find another way
There's some where I must start

Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life

I struggled all my life away
I struggle trough the night and day
I struggle and a want to say
How I want to be
How I need to be
Free â€¦ieâ€¦eee

Its the way of understanding
Its the way of being apart
No one will ever find another way

There's some where I must start

Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
Have the right to life
