

# True

## Chad Valley

My mind is all but made up  
I know exactly what to do  
So give me just this one moment  
I'll promise I'll be good to you You gave me time but I want more  
It's not the same when I'm on the floor  
The second chance is just in sight  
It's not to late to get it right But every time I sing I remember 'bout the way you forgot me  
And every single time I'm trying not to think, someone sets me free  
True  
I know exactly what to do  
True  
I promise I'll be good to you  
True  
I just can't get enough of you  
True  
I'm better off now I'm without you Do you recognize, the best things in life  
are the things you dream about?  
Now I'm gonna fantasize  
'Cause I can't sleep I never could  
Even though I tried  
I followed you  
You're not at home and I'm too late  
And I'm on my own yeah  
But every time I sing I remember 'bout the way you forgot me  
And every single time I'm trying not to think, someone sets me free My mind is all but made up  
I know exactly what to do  
So give me just this one moment  
I promise I'll be good to you  
True  
I know exactly what to do  
True  
I promise I'll be good to you  
True  
I just can't get enough of you  
True I'm better off now I'm without you  
(True)  
My mind is all but made up  
I know exactly what to do  
(True)

Give me just this one moment

I promise I'll be good to you

(True)

All my life I've ...

I just can't get enough of you

(True)

Can't you see that I'm trying

I'm better off now I'm without you
