

# Loser Two Times

Peter Green

I'm a loser two times  
Now I'm a loser two times Now I tried to change my ways  
But I was too blind  
I lost my money, I lost my girl  
And now almost lost my mind Yes, a loser two times  
A loser two times I gambled with your love  
Well, I just couldn't win  
I lost my money, I lost your love  
And now I have to live in sin Yes, I'm a loser two times I'm a loser  
Two time loser  
Loser, I'm a loser  
Two time loser Loser, I'm a loser  
Two time loser  
I'm a loser It was only a game  
A fool crazy game  
But I ended with a joker  
And a fistful of pain Yes, I lost my money  
Yes, I lost my girl  
And now I've even lost my way Yes, I'm a loser two times  
Oh, I'm a loser two times  
I tried to change my ways  
But I was too blind I lost my money, I lost my girl  
And now I've almost lost my mind  
And I'm a loser two times Loser, I'm a loser  
Two time loser  
Loser, I'm a loser  
Two time loser Loser, I'm a loser  
Two time loser  
Loser A fool crazy game  
Yes, it was only a game  
I ended with a joker  
And a fistful of pain I lost my money  
And I lost my girl  
And now I've even lost  
My way two times I'm a loser, two time loser  
Loser, I'm a loser  
Two time loser  
Loser, I'm a loser Loser, I'm a loser  
Two time loser
