

I Can't Find The Words

K-Ci & JoJo

Listen baby, listen Like a rainbow after the rain
Like a cool summer rain
Like a flower growing by the spring
In the middle of the desert You're my oasis
When I'm tired and thirsty, yes you are
You fill me up till I get enough
Your like dew drops on my face, baby you gotta shake it I just can't find the words to show you how much
I really love you more
There is no words to touch
The thought of ever losing you makes me wanna cry Like an early morning sunrise
Baby your full of surprises
And if it ain't with you, it's brand new
I'm so glad God gave me you And if I had to change one thing about you baby
I wouldn't change a thing
Don't you know that I'd give my life to protect you
'Cause you brought me my dignity I just can't find the words to show you how much
I really love you more
There is no words to touch
The thought of ever losing you makes me wanna cry
Oh yea yea yea yea yea I just can't find the words to show you how much
I really love you more
There is no words to touch
The thought of ever losing you makes me wanna cry Oh yeah
Don't ever wanna lose your love, no no no no
Hey hey yeah
You you you you
