

# September Rain

## The Brilliant Green

If everything happens for the best  
If fate is never second guessed  
Then why does right feel so wrong  
I have my life it's a lovely world  
People think I'm a lucky girl  
Then why does right feel so wrong

Whose life is this  
Which voice is mine  
I'm stealing  
I have got to stop pretending

Over and over and over again  
I blow like a leaf in the autumn wind  
I am alone inside my skin  
In the cold September rain

When I was young I thought for sure  
That when I grew up I'd be secure  
Why do I shake when all is still  
Maybe it's something inside me  
I'll ask the moon, the stars, the sea  
To take my heart and guide me home

I feel the chill  
Of winter's breath  
On my shoulder  
I have got to start the healing

Over and over and over again  
I blow like a leaf in the autumn wind  
I am alone inside my skin  
In the cold September rain

Oh take me back to better times  
When things were cool and innocent oh take me  
And keep wise enough to know  
What I can change and what I can't, save me  
Oh, save me now

Over and over and over again  
I blow like a leaf in the autumn wind  
I am alone inside my skin  
In the cold September rain
