

Blue Ridge

Avail

yes i, yes i'm worried
they they're lies
yes i, yes i'm sorry
that i tried
but i lay it down too deep
sometimes for too long
up for a moment
than that moment's gone
and i pray that you know
i'd bleed for a home
i got worried
but won't be long
so long i took it
got me down
but i took it
stayed out
stayed out too late for trust
don't feel sorry
i'm not worried
image
offset
prize is
neglect
