She Bad Bad

Eve

they like;
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad.
yeah that's right im badder then them, E.V.E the cataclysm, 'blow 'em out the fucking water kill 'em dead called a slaughter
ain't my fault had it built up had to get it out my system now im back forget about them other chicks you wont miss 'em
yeah eve hungry like a lion, i ain't never easy never scared why you tryin'?
your jimmik make me sicky what you sellin' i aint buyin' man i live up at the top so you keep climbin'
no they can never catch her, me im the chick that keep em under pressure
and every Nigga smell her wanna sex her
they say they wan' protect her but really they just wan' kiss and caress her
now sit your ass down cause class is now in session they like
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad.
when they see me coming at 'em heals and hips they wanna grab 'em lips and now stairin' at him mesmerized gotta have it,
warning i've become a habit, need it always once you had it, ever lucky enough to grab it, grantee you becoming an addict.
yeah the type of chick that like them big trips, big jets, mega yachts, yeah big ships,

wanna get on my affection here's a big tip i need to see that you ball shit
man i playin' with you people
you know my style already scorpion, she sting she lethal
i don't even got no patience for your bull shit i can see through
i get bored real easy sorry i must leave you
got 'em singing like
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad.
you know my style already scorpion, she sting, she lethal
you know my style already scorpion, she sting, she lethal
you know my style already scorpion, she sting, she lethal
you know my style already you know my style already

you know my style already you know my style already
you know my style already
bad bad bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad, oh, she bad, bad
Oh, she bad, bad.
