

Massacre

Thomston

Can you see right through the silver?
Blood is wrapped around your finger
you propagate
Another bloody massacreDo you feel loved?
Do you feel loved?
Do you feel, do you feel loved?
And is it enough?Can't you see you're being watched now?
Manipulating your mind somehow
One hand in mine (??)
The other in your pocketBut do you feel loved?
Do you feel loved?
Do you feel, do you feel loved?
And is it enough?Have you had your conscience opened
Is knowledge such a heavy burden
When ignorance is bliss
Ignorance is bliss, oh it isWhen you feel loved
Do you feel loved?
Do you feel, do you feel loved?Is a life worth you feeling loved?
