Ease My Troubled Mind

Ricochet

Rumors abound, you're runnin' around
And everybody tells me I've been blind
Well, it's killin' me, how could this be
Won't you ease my troubled mind?All night long I walk the floor
Don't make me walk it anymore
Take this doubt off me now
Baby please, ease my troubled mindI get no sleep, got no peace
Imagination's workin' overtime
With every thought of you with somebody new
Won't you ease my troubled mind?Tell me I ain't losin' you
Help me, I don't know what to do
So hold me close, say you'll never go
Baby please, ease my troubled mind, oh, yeah
