

Factual

Jonathan Butler

Can I talk to you? Could you be the one I've been waitin' for?

 The love of my life I've been lookin' for

 Only wantin' you more and more

 Could you be? Is this a dream or is it real?

 Something 'bout the way that it makes me feel

 Calling through the endless space of time

 Could you be? Maybe it's factual

But then again maybe it's actual, oh Could you be the face that I always see

 Starin' in the mirror back at me?

 Livin' in the garden of my mind

 Could you be? Could you be the voice whispering in my ear

 Soft and gentle words that I love to hear?

 How can I be sure when it fades away?

 Could you be? Oh Maybe it's factual

 (Maybe, maybe just)

 But then again maybe it's actual

 (Actual but then again) Maybe it's factual

 (Factual but then again)

 But then again maybe it's actual

(Actual, yeah) Come on, come on, oh Could you be the face that I always see

 Starin' in the mirror back at me?

 Livin' in the garden of my mind

 Could you be? Could you be the voice whispering in my ear

 Soft and gentle words that I love to hear?

 How can I be sure when it fades away?

 Could you be? Oh Maybe it's factual

 (Factual but then again)

 But then again maybe it's actual

 (Actual) Maybe it's factual

 (Factual, baby)

 But then again maybe it's actual

(But then again maybe, just maybe) Oh yeah, oh yeah, oh

 Yeah, yeah

Come on, come on, come on But then again maybe it's factual

 (Factual, baby, baby)

 But then again maybe it's actual

 (Actual) Maybe it's factual

 (Factual, factual, factual)

 But then again maybe it's actual

(But then again, but then again, but then again)Maybe it's factual
Maybe it's factual
