

# Lifelong Lullaby

## Will Derryberry

Easy, easy  
Don't let this world get you down  
Though you may be  
I'll always be with you

Easy, baby  
Worry yourself no more  
You're not alone  
Tonight I am by your side

Here I am, here I am  
Sending love to you  
Your lifelong lullaby

Here I am, here I am  
While you sleep I sing  
Your lifelong lullaby

Easy, easy  
Time will pass me by  
Blue you may be  
I'll always be with you

Easy, baby  
Though you may see me no more  
You're not alone  
Tonight I am by your side

Here I am, here I am  
Sending love to you  
Your lifelong lullaby

Here I am, here I am  
While you sleep I sing  
Your lifelong lullaby

(hums)

You're not alone  
Tonight I am by your side
