

Vulnerable

Secondhand Serenade

Share with me the blankets that you're after
Because it's cold outside
It's cold outside Share with me the secrets that you kept in
Because it's cold inside
It's cold inside And your slow shaking fingertips show that you're scared like me
So let's pretend we're alone
And I know you may be scared
And I know we're unprepared, but I don't care Tell me, tell me what makes you think that you are invincible?
I can see it in your eyes that you're so sure
Please don't tell me that I'm the only one that's vulnerable
Impossible I was born to tell you I love you
Isn't that a song already?
I get a B in originality
And it's true I can't go on without you
Your smile makes me see clearer
If you could only see in the mirror what I see And your slow shaking fingertips show that you're scared like me
So let's pretend we're alone
And I know you may be scared
And I know you're unprepared, but I don't care Tell me, tell me what makes you think that you are invincible?
I can see it in your eyes that you're so sure
Please don't tell me that I'm only one that's vulnerable
Impossible Slow down girl, you're not going anywhere
Just wait around and see
Maybe I'm much more
You never know what lies ahead
I promise I can be anyone, I can be anything Just because you were hurt, doesn't mean you shouldn't bleed
I can be anyone, anything
I promise I can be what you need
I can be what you need Tell me, tell me what makes you think that you are invincible?
I can see it in your eyes that you're so sure
Please don't tell me that I'm only one that's vulnerable
Impossible
